Subject: Nomination form

I refer to the nomination form you sent at 07.48 today 14th June 2021.

You will be fully aware of course that the closing date for nominations was midnight on 13th June 2021.

I have spoken with the remaining majority of the regions and their unanimous decision is that the nomination form did not arrive within the allotted period and therefore cannot be used.

Yours

Kevin Gorman. General Secretary. NCMD
